AREA LEARNING CENTER & OPEN ENROLLED STUDENTS

Lakeview is committed to meeting the needs of all students. However, there are times when an alternate setting is a better fit for the student's needs. Students who attend an area learning center (ALC) with the intent of graduating under Lakeview requirements may attend before and after school events as a Lakeview student. These events include prom, senior excursion, and other class related events. However, ALC students are not allowed to attend school hour activities such as lyceums, homecoming/snow week events, etc. Students who are open enrolled in another district are always welcome to return to Lakeview however, during their time of open enrollment they are considered visiting students and therefore are not allowed to attend special school events before and after school unless invited by a Lakeview student per Lakeview Policy.

ATTENDANCE POLICY

A. Philosophy

Learning is enhanced by regular attendance. The entire process of education requires continuity of instruction, classroom participation, learning experiences and study in order to reach the goal of maximum educational benefits for each individual student. The regular contact of students with the teacher and one another in the classroom and their participation enhances learning and enriches study in order to reach the goal of maximum educational benefits for each individual student; this regular contact and participation in developed instructional activities under the leadership of a competent teacher are vital to this purpose. This is a well-established principle of education which underlines and gives purpose to the requirements of compulsory education in Minnesota and every other state in the nation.

Absence from school can never really be made up. Success at school requires, like success at any job, promptness and dependability. Regular attendance at school is one of the most important items that will be recorded in your permanent record here at Lakeview School. It is checked by prospective employers and by schools to which you may be applying for admission. Attendance may be a deciding factor in securing a job you want, or in getting accepted at a school you want to attend.

B. Perfect Attendance

Students who attend school or school chaperoned activities (ex. field trips, school competitions, etc) from 8:15 to 3:15 every day school is in session will qualify for perfect attendance awards. Students who have excused or unexcused tardies or absences do not qualify for perfect attendance. If a student misses school for college visits, appointments, funerals, family work, or any other reasons, even if beyond the student's control he/she *will not* qualify for perfect attendance.

Superior Attendance

Students who miss two (2) or less days of attendance at school will qualify for superior attendance. Students who have unexcused tardies or absences will not qualify for attendance awards.

GENERAL STATEMENT OF POLICY

A. Responsibilities.

1. Student's Responsibility: It is the student's right to be in school. It is also the student's responsibility to attend all assigned classes and study halls every day school is in session and to be aware of and follow the correct procedures when absent from an assigned class or study hall. Finally, *it is the student's responsibility* to request any missed assignments due to an absence. Students should request work at the end of the class period, before school, or after school. The teacher's priority is the students who are present; student absences or requests for work should not interfere with classroom instruction.

2. Parent or Guardian's Responsibility: It is the responsibility of the student's parent or guardian to ensure the student is attending school, to inform the school in the event of a student absence, and to work cooperatively with the school and the student to solve any attendance problems that may arise.

3. Teacher's Responsibility: It is the teacher's responsibility to take daily attendance and to maintain accurate attendance records in each assigned class and study hall. It is also the teacher's responsibility to be familiar with all procedures governing attendance and to apply these procedures uniformly. It is also the teacher's responsibility to provide any student who has been absent with any missed assignments upon request at the end of the class period, before, or after school. Finally, it is the teacher's responsibility to work cooperatively with the student's parent or guardian and the student to solve any attendance problems that may arise.

4. Administrator's Responsibility: It is the administrator's responsibility to require students to attend all assigned classes and study halls. It is the administrator's responsibility to be familiar with all procedures governing attendance and to apply these procedures uniformly to all students, to maintain accurate records on student attendance and to prepare a list of the previous day's absences stating the status of each. Finally, it is the administrator's responsibility to inform the student's parent or guardian of the student's attendance and to work cooperatively with them and the student to solve attendance problems.

5. In accordance with the Minnesota Compulsory Instruction Law, Minn. Stat. § 120A.22, the students of the school district are REQUIRED to attend all assigned classes and/or study halls every day school is in session, unless the student has been excused by the school board from attendance because the student has already completed the studies ordinarily required to graduate from high school, has withdrawn, or has a valid excuse for absence.

B. Definitions

1. Absence: A student is “absent” if he or she misses more than *fifteen minutes* of any scheduled class.
2. Unexcused Absence: An absence is unexcused unless a written note stating a *valid reason* is provided to the building principal/building principal’s secretary within two days of returning to school. For a list of approved absences, see page 9.
3. Tardy: A student is “tardy” if he or she enters class after the period was scheduled to begin and does not have a valid excuse or pass. See, also, Section VII, C, D below.

C. Consequences for unexcused absences and tardies

Presence and participation are directly related to academic performance and are essential components of a sound education. Tardiness and unexcused absence reflect, among other things, a lack of responsibility and a lack of academic effort on a student’s behalf. Learning is inevitably lost when a student fails to fully attend class. Additionally, the learning environment for all students may be disrupted. Regular attendance not only provides the foundation for achieving success as a high school student, but also for achieving success as an adult in the working world. **The primary responsibility for assuring that each student fully attends classes and acquires the knowledge and skills necessary for effective citizenship rests with the individual student and his or her parent/guardian.**

1. Unexcused tardies will be considered a Level I offense and be subject to the disciplinary action outlined on page 13 of this hand book. Work is expected to be turned in by the deadline established for the students in attendance.
2. Unexcused absences will be considered a Level II offense and be subject to the disciplinary action on page 13 of this hand book. Work is expected to be turned in by the deadline established for the students in attendance.
3. Extra-curricular participation may be impacted by poor attendance. Repeated attendance violations will be discussed with coaches/advisors and may result in inability to participate in activities.
4. Minnesota Compulsory Attendance Law requires that truancy be reported to law enforcement authorities. (Minn. Stat. 8120.103, subd. 5)

Subd. 19. Habitual Truant. “Habitual truant” means a child under the age of 16 years who is absent from attendance at school without lawful excuse for seven school days if the child is in elementary school or for **one or more class periods on seven school days** if the child is in middle school, junior high school, or high school, or a child who is 16 or 17 years of age who is absent from attendance at school without lawful excuse for one or more class periods on seven school days and who has not lawfully withdrawn from school under section 120A.22, subdivision 8. Referral to county attorney will be made if habitual.

MAKE-UP POLICY

A. Excused Absences (unexpected) Students who miss class work (including assignments, labs, and exams) as a result of an unexpected excused absence will have an opportunity to make up the work. Students will receive credit for any work they make up. Failure to make up work will result in no credit being given for that work. Make up work is due to the instructor no later than two school days after the date of the absence. If the absence covers more than three consecutive days, the make up work is due to the instructor no later than five school days after the student returns to class. Exceptions to this rule may be granted if a student has missed more than ten consecutive school days because of an injury or illness or other condition beyond the student’s control. Exceptions must be cleared by the teacher and/or Principal.

B. Excused Absences (expected) Students who miss class work (including assignments, labs, and exams) as a result of an expected excused absence are expected to collect work *prior* to being gone and make appropriate arrangements with instructors for deadlines. In the case of extracurricular activities, family trips, etc. it is reasonable to expect work to be turned in prior to the absence.

C. Unexcused Absences Students who miss class work (including class assignments, labs, and exams) will be expected to complete the work and submit it by the class deadline.

CLASSIFICATION OF ABSENCES AND TARDIES

A. Excused Absences: With the exception of students who are emancipated from their parents, all students must provide the building principal with a note which is signed by the student’s parent/guardian and which states a valid reason for the absence. An advanced parent phone call is appreciated, but it should be followed with a note as stated above. An emancipated student is one who does not live with and also is not economically dependent upon his or her parent, a guardian, a family member or

other adult. An emancipated student must also provide the building principal with a note stating a valid reason for the absence but may sign the note himself or herself. **If a student fails to provide the principal with such a note before or upon the student's return to school or within the next two school days, the absence will be counted as unexcused.** An absence will be excused if the student provides a timely note which is signed by a parent/guardian and states that the absence is/was the result of one of the following conditions:

1. Illness, injury, or hospitalization of the student.
2. Disability of the student. If a student suffers from a permanent or temporary disability which prevents the student from regular attendance, verification from the student's physician specifying the nature of the disability and the anticipated duration of the disabling condition will be required once per school year. For each absence, the student's parent must provide the building principal with a signed note verifying the reason for the absence.
3. Medical, dental, and other professional appointments (not haircuts) which cannot be scheduled outside of school hours.
4. Family emergency, serious illness of family member, or death in the family.
5. Work at home. A student may be excused to work at home only when the student's assistance is essential to the family's welfare. **No more than two class periods in the same course will be allowed as excused absences for work during a quarter unless the building principal has a conference with the parent/guardian and determines that extra days are justified.**
6. Religious holidays or trips associated with a religious organization.
7. Attendance at a course of religious instruction for up to three hours each week as provided by Minn. Stat. 120.101, subd. 9(3). Before attending such a program, the parent/guardian must obtain permission from the School Board.
8. Mandatory court appearances.
9. Family trips taken with a parent if the principal, or principal's designee, has approved the trip or visit in advance. A maximum of five days in one quarter, not to exceed a total of ten days per school year, will be excused to permit a student to travel with a parent on a family trip. Parents are strongly encouraged to schedule such trips during school breaks and vacations. At the building principal's discretion, an absence for a family trip which exceeds five days may be counted as excused.
10. Compliance with any provision of a disabled student's Individual Education Program Plan or Section 504 Accommodation Plan.
11. Special education assessment performed by or at the direction of School District personnel.
12. Pre-approved testing, including college testing and military testing. Approval must be sought from the building principal at least twenty-four hours prior to the absence.
13. Any pre-approved absence which, in the principal's opinion, will provide educational value to the student including state fair trips, 4-H events, etc. Approval must be obtained from the building principal at least twenty-four hours prior to the absence.
14. Participation in a school-sponsored activity. Examples include, but are not limited to, absence from class in order to participate in a school-sponsored field trip, foreign exchange program, student council, Knowledge Bowl, athletic contest, fan bus for athletic contest, or school-sponsored music performance. **The student must have been in attendance for the three class periods preceding the school-sponsored event in order for participation to be considered to be excused.**
15. Work on an educational assignment or exam with another teacher in the building which spills over into another class period. In this instance, a note from the teacher rather than from the parent is required.
16. Visits to the principal's or assistant principal's office and scheduled visits to the office of the counselor or school social worker.
17. Suspensions. Absence from class as a result of an in-school or out-of-school suspension is counted as excused.
18. College visits must be approved in advance by the Guidance Counselor. Two college visits will be excused. Additional college visits will need Principal approval.

B. Unexcused Absences. Any absence which is not excused under this policy will be counted as unexcused. Oversleeping, a malfunctioning alarm clock, power outage, prom related activities, missing the bus, shopping, visiting friends, appointment at a tanning booth, haircuts, slow restaurant service, work, etc. are not a basis for an excused absence.

C. Excused Tardies. If a student is tardy to class but has a written note from a teacher, counselor, nurse, school psychologist, or school administrator, the tardy will be excused. If a student arrives to school late and has a valid excuse

signed by a parent, a school administrator will provide the student with a written note excusing the tardy. An excuse signed by a parent will be deemed valid if it states that the student's tardiness was caused by one or more of the conditions, listed above, which give rise to an excused absence.

D. Unexcused Tardies. Any tardy which is not excused under this policy will be considered unexcused.

E. False Excuses. Any student who submits a false excuse or forges the signature of a parent/guardian or school personnel will be subject to disciplinary action.

F. Excessive Absences. Students who have been absent on a total of 10 days (example: missing 3rd period 10 times) will receive a letter concerning attendance. After missing a class(es) on 14 days, students will be required to present a physician's note; no other absences will be excused. All other absences will be unexcused and count towards habitual truancy. School activities do not count in absence total.

G. Returning to Class. Upon entering the building after being tardy or absent, students must sign in and pick up a pass or admit slip from the Secondary Office before reporting to class.

H. Leaving the Building. Students must have prior permission to leave school. That permission is granted by the Principal, his/her secretary, or the Principal's designated representative. Students are not allowed to come to the office and just "sign out". Notes from home must be brought to the Principal's office before class in the morning or a phone conversation must take place with a parent/guardian before a student is allowed to leave the building. Leaving the building without permission will result in disciplinary action.

THE APPEAL PROCESS

A. Appeal to Building Principal

Within five school days after being informed that an absence or tardy will be counted as unexcused, or within five days after receiving notice of an unexcused absence or unexcused tardies pursuant to section IV of this policy, the student or the student's parent/guardian may make a written request to the building principal, or designee, to schedule a conference to contest, or appeal, the classification of the absence or tardies. The student and the parent/guardian may examine the student's attendance record prior to attending the conference. Individuals who may attend the conference include, but are not limited to, the student, the parent/guardian, the building principal or administrative designee, and the teacher for the class in which the student was counted as having an unexcused absence or unexcused tardies. At the conference, the student and parent/guardian will have the opportunity to present any information relevant to the absences or tardies in question, including any extenuating circumstances. The building principal or administrative designee will provide the student and parent/guardian with written notice of the appeal decision within five school days of the conference. In the event that written notice is not sent within this time period, the appeal to have the absence and/or tardies counted as excused will be deemed denied. If the principal has investigated the matter, this appeal process may be waived and appeal to the Superintendent may begin.

B. Appeal to Superintendent

A student or parent/guardian who is dissatisfied with the decision of the building principal or administrative designee may appeal the principal's decision to the Superintendent. The appeal must be made in writing within five school days of the principal's decision or, if the principal or administrative designee did not make a written decision, within ten school days of the conference with the principal or administrative designee. The written appeal to the Superintendent must state all facts upon which the appeal is based.

The Superintendent will make a final decision on whether the absence(s) and/or tardies will be counted as unexcused and, consequently, whether consequences will be enforced. The Superintendent's decision may be based upon all relevant evidence, including any written records pertaining to the student; any documents submitted by the student or the parent/guardian; discussions with the building principal or administrative designee, teachers, counselors, the parent/guardian, the student, and others. The Superintendent is not required to hold a conference with the student or the parent/guardian before issuing a decision on the appeal.

The Superintendent will make a decision in writing within five school days of receipt of the written appeal from the student or parent/guardian. In the event that the Superintendent fails to issue a written decision within this period, the appeal to have the absence(s) and/or tardies counted as excused will be deemed denied.

ACTIVITIES OR CLUBS

All students are encouraged to take part in as many extra-curricular activities as possible and are urged to participate in at least one activity outside the academic classroom.

Extra-curricular activities are provided to enrich the school academic program and fulfill the interests shown by the students. Participation in any activity is voluntary. The following activities are offered at Lakeview Secondary.

1. *Football 9-12

2. *Boys Basketball "A" 10-12

It is advised that managers and statisticians for fall and winter sports not be members of the band.

ADVISORY

Every junior high student will have a twenty-five minute advisory period on a daily basis; senior high students not in band will have a daily advisory period. Senior high students in band, but not in choir will have a time following band similar to advisory period. The purpose of advisory is to establish another time to connect with a faculty member regarding such items as course planning, homework completion, class meetings, or other educational topics. It is not a free-for-all, anything-goes break in the day. Prior to the school year, students are matched with a faculty advisor most suited to the upcoming year's needs. However, other teachers may communicate with students, requesting temporary advisory attendance for the reasons listed above. All reasonable requests from faculty advisors are to be honored or disciplinary consequences may be assigned.

ANNOUNCEMENTS

Each day the daily bulletin will be sent to each room electronically. This informs each of you of all the activities taking place that week. All students are responsible for all announcements listed on the TV Announcements, daily bulletin and by the intercom system. Students who want announcements to be made must submit them to the Principal for approval by 8:30 a.m. Any announcement submitted by a student must be signed by the advisor of the group he/she represents. School bulletin boards are meant for school related activities. All notices placed on the school bulletin boards must first be approved by the administration. Announcements will also be on the TV's in the Commons Area.

ACTIVITY FEES

Junior High Sports (Football \$50) (Non-Football \$40) Maximum of \$90

High School Sports (Football \$60) (Non-Football Sports \$50) Maximum of \$110

Students will be charged \$4.00 to attend each activity or \$40.00 for a season pass.

On August 16, 2004, the Lakeview School Board adopted a policy waiving participation fees for all Lakeview Students whose family qualifies for the Free or Reduced/Price School Meals Program. This pertains to the participation fees for all Lakeview Extra-Curricular Programs.

BOOKS - TEXTBOOKS OR LIBRARY BOOKS

Lakeview students are requested to treat all textbooks and library books with care! All books are to be placed neatly within lockers, are not to be kicked, dropped, thrown, written in, or marked. Should books be misused, destroyed, or lost, fines will be levied according to the following schedule.

Text Condition:	Fine:
New text ruined or unusable	\$50.00 or cost of replacement.
Bent covers/Loose bindings/	\$30.00 " "
Missing pages	\$15.00 - \$25.00
Minimal damage	\$5.00

Note: For other damage to school property refer to section on vandalism in the discipline policy.

BUILDING USE

School facilities are never to be used without permission from school authorities. Facilities are to be used only when school personnel are supervising the activity. This policy applies during vacations as well as over weekends. On school days students are not to be in the building prior to 8:00 a.m. or after 3:30 p.m. unless they have permission from a staff member or are involved in a school sponsored activity. In the event of attendance at a school sponsored activity, if a student, as a spectator, leaves the building, they will not be allowed to reenter the contest.

CAFETERIA/COMMONS AREA

All students will receive an Application for Educational Benefits. For those who bring lunch from home, milk is available for sale. Our school has a **closed lunch period**. All students not having a home lunch permit are required to be in the cafeteria during their scheduled lunch period. Students must bring a deposit to put into their lunch account. At the end of each month, students are given a balance sheet showing beginning balance, daily amounts charged, and ending balance. **Students with a**

negative balance in their account will not be allowed to charge ala-carte or seconds.

Please observe the following regulations during cafeteria use:

- A. All coats are to be left in the lockers.
- B. The line forms to the rear. If you must be with your friends, come with them or have them drop back in line with you.
- C. Appropriate behavior and proper table manners are expected.
- D. Do not litter in the cafeteria. Other students will have to eat in the same place where you have eaten. Leave your table clean!
- E. Return the plate, silverware, and milk container into the area designated for them. Don't throw the plate into the area provided, set it in the window carefully in a respectful manner.
- F. Put silverware in the tray provided.

CAREER COUNSELING

Any high school student interested in challenge classes, testing information, college information, financial aid etc. should check with the School Counselor or Principal. Additional information is available in the Career Center located in the Secondary Office.

CHEATING/PLAGARISM

Cheating or plagiarism is unacceptable at Lakeview. Consequences for cheating and/or plagiarizing include a “zero” on the assignment, loss of credit and possible additional consequences. In all cases parents will be notified.

CLOSED CAMPUS

Our high school operates on a “closed” campus policy. From the time of arrival to dismissal students are not to leave school property without permission from the office.

- A. Any student desiring to leave school during the school day, for any reason, must present a parental excuse to the principal’s office before school to get a pass to leave. All notes must state reason for leaving, time of departure, and time of return.
- B. If students leave or arrive during school hours they must check out/in through the high school office.
- C. Any student leaving the school building without permission will be subject to disciplinary action.

CLASS DUES

Class Dues are used to support many activities throughout the school year including homecoming activities, dances, prom, and class trips. Failure of an individual to maintain current class dues will result in their exclusion of these events. The class treasurers are responsible for maintaining accurate records of dues paid.

CLASS OFFICERS

Each class elects its own president, vice president, treasurer and secretary. Students interested in becoming a student council representative need to fill out an application and selection is made by a Selection Committee. All class organization income must go into the central student activity fund at the main office. The Superintendent has jurisdiction over all money spent. No money of classes, organizations, or groups shall be kept in any other depository. Class treasurers are responsible for collecting class dues and should check their class balance with the District Office Secretary.

CONTROLLED MATERIALS

Pest control materials are registered by the U.S. Environmental Protection Agency (EPA) and are selected and applied according to label directions. The long-term health effects on children from the application of such pest control materials, or the class of materials to which they belong, may not be fully understood.

An estimated schedule of interior pest control inspections and possible treatments is available for review or copying at each school office. Parents and students may request to receive, at their expense, prior notification of any application of a pest control material, should such an application be deemed necessary on a day different from the days specified in the schedule.

Removal from Class:

Removal from class is the short-term exclusion of a student from school during which the school retains custody of the student. Students removed from class shall be the responsibility of the Principal or his lawful designee. Students shall be removed from class only upon agreement of the appropriate teacher and Principal after an informal administrative conference with the pupil. The decision as to removal shall ultimately be up to the Principal. The removal from class may be imposed without an informal administrative conference where it appears that the student will create an immediate and substantial danger to himself or to persons or property around him. The length of time of the removal from class shall be at the discretion of the Principal after consultation with the teacher. Students shall be returned to class upon completion of the terms of the removal established at the informal administrative conference including, but not limited to, the completion of any make-up work. A parent – teacher conference will be held if a student is removed from the same class 3 times. At the conference, a behavior contract will be signed.

Suspension, exclusion, and expulsion shall be utilized in accord with the Pupil Fair Dismissal Act of 1974 as amended. (see Appendix A)

DRIVING AND PARKING CARS AND MOTORIZED VEHICLES – Students and staff must register vehicles in the Secondary Office.

Students who drive to school are asked to cooperate with the school by keeping their cars and motorized vehicles parked. Under no circumstances are students to use cars or motorized vehicles during the day without permission from the Principal or his designee. Any student(s) reported in violation of this policy will serve detention and lose privileges for a period of time. Student vehicles are to be parked in the main parking lot, in front of the building, within a lined parking spot, and in legal parking only. Parking in the fire lane, visitor, handicapped, or other inappropriate spots will result in consequences.

ELIGIBILITY FOR ACTIVITIES

All school activities, other than academic activities, operate under the code established by the Minnesota State High School League and rules established by the Lakeview School Board and School Administration. Examples of other than academic activities include: Enrichment Programs, Destination Imagination, Knowledge Bowl, Spelling Bee, Geography Bee, Art, Music Festival, and other special events.

A. Academic Eligibility

1. Athletes must maintain academic eligibility to compete in interscholastic events.
2. Failing Grades: A student who has one or more failing grades on the midterm or quarter report is ineligible for interscholastic competition for two* events. The two event ineligibility will begin on the Wednesday the reports are

printed. After two events, if student progress is satisfactory in the class, eligibility will be restored. If not, the student shall remain ineligible.

3. Incomplete Grades: A student who has one or more Incompletes on the midterm or quarter report is ineligible for interscholastic events until all Incompletes are amended. If the incomplete becomes a failing grade, procedures for eligibility will follow item #2 above.
4. Restoring Eligibility. A student is responsible for picking up an eligibility form from the office, coach, or teacher and returning the completed form to the coach or advisor. The teacher will sign off to confirm satisfactory progress; when teachers issuing failing or incomplete grades have signed off, eligibility is restored.
5. Carry Over. Ineligibilities shall carry over from the previous year (4th quarter marking period).
6. Students who participate in only Category II activities shall be passing at the time of tryouts, or in the case of music, at the beginning of the grading period. The students may not lose their eligibility in local music events such as holiday and mid-winter/spring concerts, but will lose eligibility for MSHSL sub-section, section, and state level music events. Students shall not lose eligibility in major drama performances provided they were eligible at the beginning of tryouts or the beginning of the quarter. Category II activities are defined as non-athletic activities.

* If more than one event, as in a tournament or festival, falls on the same day, the student shall be ineligible for the entire day.

B. Chemical Eligibility

The suspensions listed apply to alcohol, tobacco and controlled substances. For example, the first violation could be tobacco and the second an alcohol violation. All violations will be enforced on the basis of public performances. Possession of alcohol or tobacco will constitute a violation of this rule. Penalties shall be cumulative beginning with and running throughout the student's participation in activities in grades 9-12. School rules apply during the school year and before school starts at the same time as athletic practice starts. Eligibility is determined on a calendar basis. This means the rules apply all year long including summer vacation.

POLICY ON STUDENT DRUG AND ALCOHOL OFFENSES

No students shall distribute, possess, use, or be under the influence of any alcoholic beverage, malt beverage or fortified wine or other intoxicating-liquor or unlawfully manufacture, distribute, dispense, possess or use, or be under the influence of any narcotic drug, tobacco, hallucinogenic drug, amphetamine, barbiturate, marijuana, anabolic steroid, or any other controlled substance, as defined in schedules I through V of section 202 of the Controlled Substances Act (21 U.S.C. 812) and as further defined by regulation at 21 C.F.R. 1300.11 through 1200.15, before, during or after school hours, at school or in any other school district location as defined below.

"School district location" means in any school building or on any school premises; on any school-owned vehicle or in any other school approved vehicle used to transport students to and from school or school activities; off school property at any school-sponsored or school-approved activity, event or function, such as a field trip or athletic event, where students are under the jurisdiction of the school district.

A student who violates the terms of this policy will be subject to disciplinary action in accordance with the school district's discipline policy and may be suspended or expelled from school.

EMERGENCY DRILLS

The purpose of all emergency drills is to teach self-control in a crisis so that a panic does not occur. Parents should discuss the importance of drills with students and stress that they should be taken seriously.

A. Fire Drill

The purpose is to get all students out of the building in an orderly fashion. Students should keep in line and follow their teacher. **DO NOT RUN!** Do not try to take coats, books, or materials with you. Further instructions will be given by your teachers and should be followed carefully. Fire drills will be held periodically without advance notice. All rooms have rules posted with instructions concerning fire exits.

B. Lock Down Drill

A school lock down would occur when there is an intruder in the building, community emergency, or any other time administration feels it is necessary to keep students in their classrooms to ensure their safety. During a drill, students and/or staff in hallways enter the closest classroom, classroom doors are locked, and students move quickly and quietly to a corner of the room out of the vision line of the hallway and wait for further instructions.

C. Secure Building Drill

A secure building would occur when there is the possibility of an external threat outside the school building. During a drill, students and staff are to close blinds and move from class to class only upon the approval of administration.

D. Tornado Drill

In the event of a tornado students will be directed to the interior areas of the building. Teachers are to escort their students quickly and calmly to the directed area, sit down quietly and wait for further instructions.

FOOD AND DRINK

Beverages and food items are only permitted in the commons area. Eating and drinking is not permitted in any other areas of the school building. If food and beverages are part of the curriculum or occasionally allowed by teachers, arrangements must be made by the teacher and proper cleanup must occur after the event.

HALLWAYS

Hallways are to be kept clear of pack packs, book bags, athletic bags, and other items. These items are to be placed in lockers. If the bag does not fit it, contents should be emptied and transferred to your locker so that the bag may then be placed in your locker as well. Items found in the hallway will be confiscated. Repeated violations will result in disciplinary action.

HEALTH OFFICE

The Minnesota Department of Health has requested that schools monitor certain illnesses and diseases. These include the following:

The Health Office is required to monitor Influenza Like Illnesses (ILI). When a parent calls in for a student absence due to illness, the school will ask these two questions: 1. Does the child have a fever? and 2. If the child does have a fever, is there also a cough or sore throat present? The responses to these two questions are critical to the monitoring of ILI in the school system.

Additionally, the Health Office is required to report any of the following diseases to the Minnesota Department of Health: student or employee diagnoses of Chicken Pox, Pertussis, Whooping Cough, Measles, Mumps or Rubella. The school is also to report any student who is diagnosed with Shingles. You may contact the Health Office with this information by phone or by e-mail. It will be kept confidential and protected by HIPPA, though it will be reported to the Minnesota Department of Health as required.

Please contact the School Nurse if you have any questions or concerns about your student's health as well as what information you would like communicated to their teachers.

INSURANCE

The school district does not provide any type of health or accident insurance for injuries incurred by your child at school. We have made arrangements for voluntary coverage with Student Assurance Services, Inc. Stillwater, Minnesota for coverage that is underwritten by Security Life Insurance Company of America. The premium for this coverage for both the athletics and school coverage is payable by the parent. An information letter will be sent home at the beginning of the year and enrollment forms are available at the school. Athletic team members will be required to enroll in this program and sign a waiver form provided to them prior to the athletic season.

INTERNET POLICY

Lakeview School recognizes that electronic information research skills are now fundamental to preparation of citizens and future employees. Access to the Internet enables students to explore thousands of libraries, databases, bulletin boards and other resources. It is the student's responsibility to use the internet appropriately. Each student must have an "Acceptable Use" form completed and on file each year. Failure to follow the rules listed on the "Acceptable Use" will result in restriction and/or suspension of lab privileges and may involve further consequences. Please refer to Lakeview School's Acceptable Use Policy for specific information.

LETTER AND LYRE AWARDS

General rules governing the awarding of letters and music lyres to student of Lakeview Secondary School are:

1. A first year letter or music lyre winner must be in the ninth grade or above.

3. All students in grades 9-12 may earn an academic letter by maintaining at least a B average during the year.
4. A senior award certificate is given to the student in his/her senior year listing the activities the student has participated in throughout his or her high school career.
5. The advisor of each organization reserves the right to final approval of a student from receiving a letter for actions objectionable to the standards of organizations and the school.
6. Each organization or department will use its own adopted style of letter or emblem the letter will distinguish it from other organization awards.
7. The specific requirements for earning a letter in each department can be obtained from the Principal/Athletic Director or the advisor in charge of the activity.

LIBRARY/MEDIA CENTER

The library is to be used for research, assigned reading, recreational reading or academically related assignments. In addition, the library may be used by students earning privileges during their free periods. Books must be checked out before being taken from the library. If books are not returned on time and in good condition, fines will be levied according to library policy. Students who receive failing grades on their report cards will not be allowed to use the library for recreational purposes. They may work on special research assignments with permission from the Principal or from the teacher who has given them the assignment.

LOCKERS

Lockers assigned to students are the property of the school. Any locker is subject to periodic inspection for cleanliness and may be entered by the principal or his designated representative at any time should it be suspected of containing alcohol, tobacco, narcotics, explosives or other items unlawfully obtained or considered potentially harmful to others or to the school building. Lockers may also be entered by the administration to recover property or to prevent disruption to the educational

process. Lockers must be kept tidy at all times. Only school spirit promotion/ recognition memorabilia may be placed on the outside of lockers. Students are expected to use their assigned locker for the entire year. Changing locker assignments may result in consequences.

LOST AND FOUND

Students and staff are responsible for the security of their personal and assigned school items. All lost and found articles are to be turned in or claimed at the Principal's office. Reports of lost articles should be made as soon as possible. Students are encouraged to lock their lockers, especially those in the Physical Education locker rooms. The school is not responsible for the loss or theft of personal articles.

LUNCH PROGRAM

All students may have their noon meal at school. Each student will have a lunch account with an ID# which will be posted in the main office and cafeteria the first few days of school. Money should be turned in at the Elementary or Secondary office to put in your "lunch account". Ala-carte items will be available for students at lunch and in the morning between 7:50-8:10 a.m. and at lunch time. To check on your lunch account balance check at the superintendent's office. The weekly lunch menu will be published in the Tri-County News, on Cable Channel 8, and on the school website: lakeview2167.com.

A. Lunch payment policy: After a student has a negative balance in their account equaling 7 meals, the student will not be allowed to receive any hot lunch until the account is paid. If a student has a delinquent account at the 7-meal limit, they will be allowed to eat a hot lunch if they pay cash on a daily basis.

MARKING SYSTEM AND HONOR ROLL

The grading system is as follows:

A 4.000 (96-100)	B- 2.666 (87-88)	D+ 1.333 (78-79)
A- 3.666 (94-95)	C+ 2.333 (85-86)	D 1.000 (72-77)
B+ 3.333 (92-93)	C 2.000 (82-84)	D- 0.666 (70-71)
B 3.000 (89-91)	C- 1.666 (80-81)	F 0.000 (0-69)

HONOR ROLL: To be on the Honor Roll grades in academic classes must average 3.000 or better for the "B" Honor Roll (with no grade below a C-) or 3.666 or better for the "A" Honor Roll (with no grade below a B-). No person will be considered for the Honor Roll who has a "D" in any class. Classes that normally meet five times per week will be considered for the Honor Roll.

INCOMPLETE ASSIGNMENTS: Incomplete assignments are the responsibility of the student. Every effort must be made to finish incompletes before report cards are sent out. Incomplete assignments which have not been completed will be accessed as a zero, one week after the end of the grading period. Exceptions must make arrangements through the teacher and the Principal's office.

MEDICATION

Whenever possible, the parent or guardian should make arrangements so that it is not necessary for school personnel to administer medication at school. If your doctor recommends giving a medication at 8:00 a.m., 12:00, 4:00 p.m. and 8:00 p.m., ask him/her if the hours could be changed slightly to accommodate school hours. In many cases this is possible. However, there are cases when a student's health could be compromised by not getting medication at school. In those cases, prescription medication will be administered by school personnel, only with written instructions from the doctor and school nurse that this medication must be administered during school hours. The medication must be in a container labeled by the pharmacy or physician stating the child's name, the medication, the dosage and the physician's name. We also require that the medication be brought to school by a responsible adult. Students involved in self-medication must report this to the teacher, principal, or school nurse in order to make arrangements for storing the medication in a safe place. A parent's request must also accompany medication which will be self-administered. The school office will not furnish aspirin or Tylenol to students.

A. Student possession and use of asthma inhalers

In 1988, the legislature enacted a law that governed administration of drugs and medicines to students at school. Minn. Stat. 121A.22. This law required school boards to develop procedures for the administration of medication at schools which complied with the statute.

The 2001 Legislature amended the statute by adding prescription asthma inhalers to the list of drugs and medicines excluded from the statutory requirements.

B. Lakeview School District has adopted a Medication Policy, which among other things requires: "All medication except asthma inhalers approved by the school nurse, must be kept in the office." The School District will develop a procedure for the school nurse to approve a student having an asthma inhaler at school. Lakeview Schools will arrange to have a school nurse or other appropriate individuals assess the student's knowledge and skills to safely use an asthma inhaler at school and enter into

the student's record a plan to implement safe possession and use of the inhaler.

NATIONAL HONOR SOCIETY

Students are eligible to apply for acceptance to Lakeview Junior High and High School Honor Society if they have a cumulative GPA of 3.5 and are a 7th or 8th grader, or a sophomore, junior or senior. If interested, the student must fill out an application explaining their qualities of leadership, service, and character. Applications are reviewed by a staff committee of at least three secondary instructors. Students who meet the criteria of induction into the honor society will receive a letter inviting them to apply and write an essay if they wish to be considered for induction. Those completing the application will be screened by a faculty council and the selection process will be completed. Individual students and their parents will be invited to a spring banquet for the induction ceremony.

PARENT-TEACHER CONFERENCES

Parent-Teacher Conferences will be held twice a year so teachers can confer with parents. Each conference gives parents an excellent opportunity to discuss with their child's teacher his/her physical, emotional, social and educational needs and concerns. Conference dates will be determined by the master calendar.

PARTIES AND SOCIAL FUNCTIONS

All class social events must be cleared through the class advisors and be approved by the administration. There are to be no school sponsored events (dances) during the week. All secondary school social events will end by 12:00 a.m.

PASSES

Students are not allowed in the corridors unless they have a properly signed building pass. The building pass is to be used by all students leaving classes or study halls for other parts of the building. You should fill out the pass completely and ask the teacher in charge to sign it. Out-of-the-building passes will only be issued out of the Principal's office. Both the Principal's Office and parent/guardian must grant permission before a student may leave the building.

PEP FESTS

- A. Academic: One time during the school year, the faculty will host an academic pep fest. The purpose of this pep fest is to recognize the previous year's academic successes of the students as well as those competitive activities that are not in the realm of athletic competitions. Additionally, the pep fest will serve as an encouraging event for students to do their best in any upcoming testing sessions.
- B. Athletic: During an athletic season, athletic pep fests may take place during the designated dress up week, homecoming or snow week, for all athletic contests during that week. Additionally, one athletic pep fest may take place during an athletic team's playoff run. Suggestions for the placement of this athletic pep fest include in preparation of a subsection, section, or state playoff game and will be discussed and approved by the Activities Director and building principal.

PICTURES

Individual student and group classroom pictures are taken during the year. Information will be sent to you before each picture day.

PLAYS

An All-School Play and one-act plays will be presented each year. The play is selected by the director and the cast is selected from the student body through tryouts.

PLEDGE OF ALLEGIANCE

Students in the Lakeview School District shall recite the pledge of allegiance to the flag of the United States of America one or more times each week. The recitation shall be conducted by each individual classroom teacher or teacher's surrogate. Students will be instructed in the proper etiquette toward, correct display of, and respect to the flag and patriotic exercises. Exceptions: Any student or teacher may decline to participate in recitation of the pledge of allegiance to the flag. Students must respect the choice to not recite the pledge.

POST SECONDARY ENROLLMENT OPTION (PSEO)

Any junior or senior high school student interested in the Post Secondary Enrollment Options program should check with the School Counselor for further information. You must be sure you will have adequate credits for high school graduation. Also you must seek approval for PSEO classes from the school counselor two weeks prior to the start of the high school semester. Additionally, if a class is offered in house, students are expected to take the class through this opportunity. If you are involved in this program and do not continue it, you will not be readmitted to classes prior to the beginning of the semester for semester classes, or the beginning of the next school year for year long classes. Travel

Student travel including field trips, special extra-curricular events (i.e. attending state competitions as spectators), class trips, incentive trips, etc. are an important component of a student’s education. Travel provides a different educational setting which reinforces the information taught within the school walls. Additionally, life lessons such as cultural awareness, responsibility, budgeting, planning, and decision making are all part of a travel experience. Even though travel is viewed as important it also carries increased risk. Therefore, the district reserves the right to deny travel privileges of any kind if a student is in poor disciplinary standing with the district. Disciplinary standing will be determined by the principal using the following guidelines: 2 or more detentions within 9 weeks of the outing, in-school suspension within 9 weeks of the outing, or out-of-school suspension within 18 weeks of the outing. Extended travel requiring overnight stays carry additional risk; therefore the guideline is no behavior requiring any disciplinary action within 18 weeks of the event.

Chapter 183 – Student dismissal from School; Removal from class (Act effective August 1, 2001)

This Act revises the ground for Pupil Fair Dismissal Act for which a pupil may be dismissed from school. It provides that a pupil may be dismissed for willful conduct that significantly (rather than materially and substantially) disrupts the rights of others to an education, or disrupts the ability of school personnel to perform their duties, or disrupts school sponsored extra curricular activities. It also makes for willful conduct that endangers the pupil of other pupils, or surrounding persons, including school district employees, or property of the school a ground for dismissal.

The Act provides that if a pupil's total days of removal from school exceeds ten (10) cumulative days in a school year, the

school district must make reasonable attempts to convene a meeting with the pupil and the pupil's parent or guardian prior to subsequently removing the pupil from school. The purpose of this meeting is to attempt to determine the pupil's need for assessment or other services.

The Act amends the law related to grounds for removal of a pupil from class. It provides that the required policy on removal from class must include a procedure for notifying and meeting with a student's parent or guardian to discuss the problem that is causing the student to be removed from class after the student has been removed from class more than ten (10) times in one school year. It also amends the grounds for removal from class to include willful conduct that significantly (rather than materially and substantially) disrupts the rights of others to an education, including conduct that interferes with a teacher's ability to teach or communicate effectively with students in a class or with the ability of other students to learn. It also makes willful conduct that endangers surrounding persons, including school district employees, the student or other students or the property of the school a ground from removal from class.
