

Dear Parents and Guardians,

We want to thank you for your patience and support during the planning stages for the 2020-2021 School Year. There is no doubt that this year will not look like any normal school year. We are so excited to say that Lakeview Schools will be opening under the Hybrid Guidance (phase two of the reopening plan). This means all of our students can be in our building at the same time. We will be taking many safety precautions to keep the staff and students safe!

Attached to this email you will find the Lakeview Reopening Plan and the FAQ documents. Please read through them carefully and let us know if you have any questions. There is also additional information on the schools webpage [www.lakeview2167.com](http://www.lakeview2167.com) under the Lakeview Reopening Plan Section. After reading the handbook, we will need you to register your children for either in person or distance learning. You will have to fill out and submit this registration form for **each** student in your family for PK-12 Grade that attends Lakeview Public School. (You may need to fill this out multiple times.) If you choose Choice Distance Learning an administrator will contact you to enroll your child in this program.

These must be completed by August 14th!

Back to School packets are being mailed this week. This is in addition to the link above and must be completed as normal. Included in your Back to School packet is one copy each of the Student Health Form and the iPad Agreement Form. We will need a completed copy of these for **each** of your children. Please make as many copies of these that you need for your children or stop in at school and pick up additional copies.

We also want to let you know that there will be NO OPEN HOUSE this year. We will be using the first day of school to get students orientated with the new process and procedures. The first days of school we will be bringing in small groups of students on the following schedule:  
Wednesday August 26, Grades 4, 5, 6 and 11-12 will attend  
Thursday, August 27th Grades 2-3 and 9-10 will attend  
Friday, August 28th Grade K-1 and 7-8 will attend.  
Preschool will start on August 26th.

We hope all our families stay safe and healthy. The more we all do our part to stop the spread of the COVID 19, the better chance we have of getting back to normalcy. It's time for all of us in Laker Nation to "Hero Up".

If you have any questions please feel free to contact Lakeview Schools.

Sincerely,

Courtney Frie K-6 Principal  
Scott Hanson 7-12 Principal  
Diana Foy Preschool Director
