Grade Entering

The referenced iPad is the property of the Lakeview Public School District #2167 and has been established for educational purposes. Student iPads may be reviewed at any time. The student should have no expectation of privacy of materials found on the iPad. Student iPads, owned by the District, are being made available for your child to take home to enhance his/her educational experience. The use of iPads at Lakeview ISD 2167 will fall under the guidelines & policies of the 21st Century Handbook, available online. Failure to follow the guidelines & policies in the 21st Century Handbook will result in a loss of privileges with regard to iPad use.

Lakeview ISD 2167 is offering optional iPad insurance coverage for parents. Parents can purchase a deductible-free iPad insurance policy available from Lakeview School District and would cover all necessary repairs and/or iPad replacements for the first incident. The District Policy would cover theft, burglary/robbery, accidental damage, power surge, vandalism, fire, and natural disasters. After the first claim covered by the insurance policy, any additional damages are subject to full payment by the family.

NOTE: Insurance offered by Lakeview ISD 2167 will be considered void under the following circumstances; the iPad is not being used or store in its district issued case, the iPad is used or stored in a non-district issued case, there is any damage to a district issued case resulting in damage to an iPad, or any damage was done to the iPad and it was deemed intentional by the Lakeview Technology Staff.

PARENT/STUDENT ACKNOWLEDGEMENTS FOR iPads – please initial.

_____ I understand that the use of the iPad will fall under the policies & guidelines located in the 21st Century Handbook, available on the district webpage.

_____ I understand that the iPad will be used for educational purposes only.

Optional iPad insurance coverage

_____ **I desire to purchase liability** insurance through the school in the amount of \$40.00 per iPad.
(Insurance does not cover the charging block, cord, or case)

_____ I pre-paid the insurance fee through the online FeePay System.

_____ I understand that insurance purchased through Lakeview ISD 2167 **WILL BE VOID** if the iPad is not stored in its original case, it's placed in a non-district issued case, there is damage done to the case resulting in damage to the iPad, or intentional damage was done to the iPad. Damage deemed intentional will be determined by the Lakeview Technology Department.

_____ **I do not wish to purchase liability insurance.** I fully understand that by doing so, I am responsible for the full cost of all iPad repairs and/or replacements.
